The image displays two distinct Japanese textile patterns. The left panel is a rectangular piece of fabric with a light, off-white background. It is covered in a dense, repeating pattern of various marine life, including numerous colorful fish (such as yellow tangs, blue tangs, and striped fish), coral, sea anemones, and other small sea creatures. The colors are vibrant and varied. The right panel is a circular piece of fabric with a dark blue background. It features a central motif of a yellow sun or moon with a face, surrounded by a variety of fish and other marine life. The pattern is also dense and colorful, with a dark blue border around the circular design.
